Specific Use Restrictions

Signage bearing the following text **MUST** be posted during pesticide applications.

- "DO NOT ENTER"
- "DANGER"
- "PESTICIDE APPLICATION IN PROGRESS"
- "FISHING STRICTLY PROHIBITED"

Valid until withdrawn, suspended, canceled by the EPA, BAKER PETROLITE LLC, the Department of Pesticide Regulation, or expires.

A restricted materials permit must be obtained from the county agricultural commissioner prior to this use. This does not constitute a recommendation by the Department of Pesticide Regulation or the county agricultural commissioner. Neither the department nor the county agricultural commissioner, the manufacturer or formulator makes any warranty of merchantability, fitness of purpose, or otherwise, expressed or implied, concerning the use of a pesticide in accordance with these provisions, except as provided by the registered labeling. The user and/or grower acknowledge the preceding disclaimer and accept liability for any possible damage resulting from the misuse of this product. Do not use in mixture with other pesticides unless provided for in the labeling. Trial on a small area to check out unanticipated problems is suggested.
