

PROCLUSION™ 4L

VERSATILITY, SENSITIVITY, AND SENSIBILITY IN ONE BALANCED FORMULATION

Alligare's Proclusion 4L Herbicide is an easy-to-use, liquid solution that will control grass and broadleaf weeds before they emerge. From freeways to fairways this versatile product can be applied into sensitive environments and offers vegetation managers peace-of-mind along with extended results.

PERFORMANCE HIGHLIGHTS

- Low use rates provide efficient control of many annual grassy and broadleaf weeds
- Can be applied into desirable turf and plant beds
- Unique mode-of-action helps manage against herbicide resistance
- Can be tank-mixed with non-selective herbicides to produce bare-ground results

FOR BEST RESULTS

1. Precipitation is needed following the application to optimize pre-emergent control.
2. Apply in a minimum solution of 20 gallons per acre using a broadcast boom or handheld wand.
3. Apply at higher labeled use-rate to increase longevity of control.

USE SITES

- | | |
|-------------------|--|
| • roadsides | • golf courses |
| • railways | • hardwood seedling nurseries |
| • equipment yards | • field grown and landscape ornamental storage areas |
| • substations | • wildflower plantings |

PROCLUSION™ 4L

ACTIVE INGREDIENTS: PRODIAMINE 4 LB/GAL

TARGETED WEEDS

Barnyardgrass

Annual bluegrass

Carpetweed

Foxtails

Kochia

Pigweed

Prostrate spurge

Common vetch

Knotweed

Goosegrass

Sprangletop

Crabgrass

MIXING INSTRUCTIONS

1. Add $\frac{3}{4}$ of the required spray volume to the spray tank and start agitation.
2. Add the required amount of Alligare Proclusion 4L Herbicide.
3. Add surfactants, crop oils, or other adjuvants according to the manufacturer's label.
4. Agitate during the final filling of the spray tank, and maintain sufficient agitation during application, to ensure uniformity of the spray mixture.

Note: Proclusion 4L is safe to apply in plant beds and to established turfgrasses including residential and institutional lawns, athletic fields, golf course fairways and roughs, and commercial sod farms.
